About Charles & Associates

Charles & Associates is a full-service residential remodeling company dedicated to transforming homes into beautiful, functional spaces. From stunning outdoor living areas and master suites to high-end kitchens and baths, we combine thoughtful design with craftsmanship to deliver results that our clients love.

The Role

We're seeking a talented and experienced Residential Architectural Designer & Sales Consultant to join our team. This position is ideal for a creative, client-focused professional with strong skills in space planning and design. You'll partner with homeowners throughout the design process—translating ideas into practical, inspiring plans that reflect their lifestyle and budget.

Key Responsibilities

- Collaborate with clients to understand their goals, vision, and day-to-day needs.
- Create design concepts that are both creative and functional using design software.
- Perform or coordinate on-site measurements and translate findings into accurate plans.
- Source and recommend materials, finishes, and products that align with style and budget.
- Produce detailed, construction-ready drawings for remodeling projects.
- Guide clients through the design and product selection process.
- Partner with sales and construction teams for seamless project execution.

What We're Looking For

- Proven experience in architectural design, space planning, or interior design.
- Proficiency with design software and the ability to produce professional-quality plans.
- Strong communication skills and customer-focused approach.
- Excellent organizational skills and attention to detail.
- Passion for design and commitment to outstanding results.

Why Join Us?

- Competitive salary + commission package
- Supportive, creative work environment
- Exciting residential remodeling projects
- Collaborative, innovative, growth-focused team
